

August 2009

On Tuesday, September 22, 2009, the seventh European Colloquium organized by the Young Arbitration Practitioners will be held at the Hôtel Raphael (Paris), on the topic of The New Challenges of International Arbitration.

The six previous “YAP” Colloquia held in Paris, Geneva, Cologne, Montreal, Brussels and Dublin were a huge success, thanks to the quality of the speakers as well as that of the audience.

The “YAP VII” Colloquium adopts the same format as the previous Colloquia. It will be conducted under the guidance of Michael Schneider and Pierre Mayer.

As the number of available places is limited, we suggest that you return the attached registration form as quickly as possible.

We look forward to seeing you at this event.
