THE ART OF DELIBERATIONS: TIPS FROM BEHIND THE SCENES

Tribunal deliberations pose a particular challenge for new and aspiring arbitrators. In light of their secrecy, deliberations remain a “black box” even to those with extensive experience as counsel and as sole arbitrator. There are no guidelines on conducting deliberations, and the process can be influenced by countless variables. But that does not mean we cannot prepare ourselves! For this online event, we bring together three leading arbitrators to share their experiences and insights from the deliberation room. Join us to learn about navigating tribunal dynamics, making yourself heard across different deliberation formats, dealing with challenging situations, and much more. **As part of this special programme, you will have the opportunity to speak directly with the panelists and other attendees in breakout rooms.**

PUSH FOR PARITY: SEASON 2

The popular Push for Parity series, hosted by the Equal Representation in Arbitration (ERA) Pledge Young Practitioners' Committee (YPSC), is back with Season 2! This time, we drill down on the practical skills you need to excel as an arbitrator at key moments in the proceeding. The three-part series offers honest, valuable insights from seasoned practitioners about how to handle arbitrator interviews, deliberations, and writing the award.

What is the ERA Pledge and the YPSC?

The ERA Pledge is an initiative to improve the profile and visibility of women and to help female arbitrators secure more appointments. In just five years of existence, more than 4,700 organisations and individuals have joined the Pledge and committed to its objectives. The YPSC pursues these objectives for the next generation.
